CUSTOM ENGINEERED FOR SAFETY AND CONVENIENCE

MicroFridge® with Safe Plug™ technology – patented, current-limiting circuitry – requires only one dedicated circuit for the combination appliance.

Blue plug on the refrigerator plugs into the blue outlet on the back of the microwave for energy-efficient one-plug-to-the-wall operation.

True zero-degree freezer provides long-term food storage for ice cream and other frozen foods.

Recessed, scoop handles and rounded door design provides a sleek streamlined appearance to complement any décor.

Full-width wire shelves for easy cleaning.

Door design allows for upright storage of 2-liter bottles to minimize leaks and spills.

Reversible doors for flexibility in any installation.

Mounting brackets provide secure attachment of microwave to refrigerator/freezer.

Microwave detaches for custom installations and for servicing.

Reduce cooking time by 10% with efficient Action Wave energy distribution system.

Unsurpassed warranty underscores our quality product.

Toll-free, quick-response customer service.
